

DDIN[®]

QUICK CHANGE IMPACT ADAPTERS

These impact adapters will outlast all of the competition and reduce the risk of injury, while increasing productivity. Each Impact Adapter is made with a specially formulated metal that holds up to the increased torque output of utility impact wrenches.

PART #	DESCRIPTION	LENGTH	COLOR
DNIA	7/16" Hex to 1/2" Square	2-3/4"	Red
DNIA1412	1/4" Hex to 1/2" Square	2"	Yellow
